**"A good fun show, kept buoyant by Jarred Christmas with lovable doofus energy and beefed out
by extraordinary vocal gymnastics from Hobbit. It opens with a real bang, as the latter unleashes
a fusillade of beats and sound effects to score the dumbshow antics of human cartoon Christmas.
It's the kind of thing you could watch all day...great value"** Guardian

**"A must see. The kids loved every second of it. Definitely recommended but it does come with a warning –
by the end of it your kids may believe that they too are world class beatboxers or stand-up comedians"**
★★★★ Families Edinburgh Magazine

"Phenomenal...children are captivated. Fast & Furious. Raw talent and pure entertainment"
★★★★ Wee Review

**"Who knew comedy and beatboxing went so well together?
This fun show for children of all ages (and their grown-ups) fuses the two seamlessly"** ★★★★★ The List

**"Brilliant! An elating combination of seriously awesome music and laughter.
Great humour appealing to every age. Everybody left this show with a spring in their step!"** Primary Times

"Utterly hilarious. One of the funniest men to ever pick up a microphone" Time Out on Jarred Christmas

"Breath-taking vocal percussion solo from star beatboxer" The Stage on Hobbit
